Dear members,

We had another very enjoyable Friday evening talk last month with Ian Kennedy!

Fiona Haddow managed to offer questions for Ian that helped the flow and Ian spoke about his long career as a freelance artist, which he is still enjoying. We were transported back through time and could see just how accurate Ian's work is and that his skill includes every aspect of illustration from landscapes to technical accuracy, from recognisable characters through a whole catalogue of expressions. We were all very impressed with Ian's lifetime of artistic talents!

It felt like a very amiable social evening and everyone commented to me on how much they enjoyed it. We had a good turn out for us of 24 people which gave us a comfortable audience with a few new faces encouraged to come along by the pester power of personal invitation. Please encourage anyone who didn't get notification of the event by email to get in touch and ensure that their membership is up to date and contact details are correct. Also remind fellow members to check Spam folders as attachments may cause art society news to not be recognised. Unfortunately we forgot to ask someone to take photos for this newsletter!

Newsletter October 2021

We hope you have the next evening event in your diary? Its Friday 19th November 7pm and the guest speaker is Rod Gauld. Rod will demonstrate in watercolour taking pauses for questions from the audience and relate to us how he came to become an artist. Rod hopes to complete a watercolour for us from start to finish as he talks - a true painting demonstration! Some of Rod's completed works will also be displayed for us to have a closer look! Here's a few images that he's shared. You can see his work on his Facebook page Roderick Gauld Artwork and we hope to hear news of his recent Open Studios North Fife 2021 too.

Fiona Haddow also has an open studio coming up this weekend!!

There will be a raffle at the Winter Exhibition! Hooray!! We know you love a raffle!! Feel free to donate a prize at hand in! We will be "Fun-raising!" To raise funds for the long list of repairs and improvements needed at the gallery - in particular disabled access as this prevents many groups from hiring the beautiful space we offer to encourage Art for All!
